Sol.St. - Samuel James Scott.

Application to have title to this land vested in the name of the Soldier Settlement Board of Canada under the provisions of Section 27 of the Soldier Settlement Act of 1919.

The Soldier Settlement Board duly advised the Department that this settler had applied for a loan to be made a charge against his soldier grant.

An Order hereunder has been signed by the Minister vesting the right, title and interest of this settler, also the title or interest of His Majesty to or in this land in the name of the Soldier Settlement Board of Canada.

It is stated in the Vesting Order that the sum of $1[illegible] has been disbursed in connection with the loan approved in favour of Mr. Scott and that he has defaulted with respect to the terms and conditions of the agreement executed to the Board on the 9th June, 1919, in that he has abandoned the land for the working, improvement and cultivation of which advances were made to him and has otherwise failed to comply with the Loan Regulations of the Board.

There are no cancellation proceedings outstanding but we have no record of the settlement duties, if any, that have been performed.

In the matter of the application for the adjustment of the above mentioned account which we have referred to you, which you have agreed to deal with on behalf of this Board, and the information I am now in a position to report as follows:

In 1945 relief amounting to $72.[illegible] was advanced to John Rieger [illegible] Security of [illegible] was obtained [illegible]. No payment has ever been received on the account and the present standing of the account is:

Principal	Interest	Total

The S.E. [illegible] 4 was formerly the homestead entry of the debtor which security was obtained advances of relief in 1945. He [illegible] abandoned the homestead and his entry was cancelled on the 1st of July 1945 [illegible] and is still an alienated C[illegible] held in the right of the Province.

In reply to our questionnaire of the 7th of November 1952, W. [illegible], Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this quarter comprised part of the land held under Grazing Lease No. 32367 by James Emerson Foster of Irvine, Alberta, which lease [illegible] expired until August 1st, 1954.

[illegible] the Inspector's report on file this land is only suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

Dear Sir:

I filed on SE¼-13-6-8, West of the 4th Meridian, in September, 1912, and entered in occupation of the land in March, 1913, and I have just this date received communication from the Medicine Hat Land Office to the effect that the Canadian Pacific Railway Company have right of way over my quarter for the accommodation of the Lethbridge-Weyburn branch of their railroad, that note stating that it was in ommission on the part of the Land Office to inform me that the Railway Company had secured this right prior to my entry for the quarter section.

I have called this date upon local Land Agent at Medicine Hat and enquired for details as to the exact location of the C P R line across my quarter and this information they are unable to give me. The most minute search on the quarter and on the adjoining quarters fail to disclose the stakes marking Right of Way. I have plowed ten acres east to west on the south side of my quarter, and

have left a sufficient margin for the road allowance. The plowed acreage extends across the quarter east to west. I should like to know at your convenience if the C P R are likely to carry their rails over my plowed land, and if in such case the land that I have plowed will be recognised as part of my duties. I may say here that the quarter is very stony and hilly and is very difficult to plow in places. I had intended to sow this with flax seed next Spring, and should like to know exactly how the matter stands, I am, dear sir,

Yours, truly

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $1515.00 for stock, equipment and permanent improvements. The Board holds no other land security.

The entrant has applied for patent claiming duties as shown on forms 38A hereunder. Apparently the duties have been performed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 16th instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board and it is pointed out in the memorandum that this would enable the entrant to negotiate a sale of the land. A Ve time order for the Minister's signature is attached.

It is stated in the recital Order that the settler is residing on the land.

It is suggested that the necessary patent be issued in the name of the Board.

I beg to enclose herewith file #2791306 of this Department covering the papers relating to the S.W.¼ of Section 32, Township 12, Range 1, W. 4th M., the abandoned homestead of J. T. Watkins.

Encl.

It appears that when Mr. Watkins abandoned his right to this quarter-section he left a shack upon the land which he valued at $45.00.

After the quarter-section had been abandoned and the land was again at the disposal of the Department, the Secretary-Treasurer of the Clover Hill School District sold the building to a certain party, and the latter removed the same from the land.

In defence of his action, the Secretary-Treasurer of the School District stated that Mr. Watkins owed arrears of school taxes amounting to $39.00.

In this connection I would call your attention to a memorandum dated the 19th instant prepared by Mr. Rothwell, the law clerk of the Department, and would ask you to take whatever action you may consider necessary in connection with t is matter.

Will you k ndly keep this Department advised of the s anding of this case.

Mr. [illegible] Medlen,
Dominion Member,
[illegible] Grain Advisory Board.

Re: Account of [illegible] Marsh
[illegible] 32-12-1-W4

The matter of an application for an adjustment of [illegible] outstanding against the above mentioned party is referred to this Board constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1931 and 1932 seed grain amounting to $137.50 was advanced to [illegible] Marsh on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 137.50	$ 07.90	$ 445.40

The S.½ 32-12-1-W4 was formerly the homestead and cultivation entries of the debtor whose entries were cancelled on the 6th of May 1925 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 24th of November last, [illegible] Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this half section comprises part of the land held under Grazing Lease No. 33739 by Thomas [illegible] Wood of [illegible], Alberta, whose lease does not expire until October 1st, 1953.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the lands [illegible] farming purposes and no longer offer any security of value for advances. Under the circumstances it is recommended that [illegible] be cancelled.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Further referring to your letter of the 13th August, last. Dear Sir,

With further reference to my letter of May.5th, I beg to say that I personally inspected this land on Tuesday 16th.May,1910,and found that Mr.Conquest and family were living on this land in a tent,and that he was cultivating a small portion of the quarter section. I made inquiries from the Section Foreman, [illegible] postmaster,and Blacksmith,and the man in charge of the elevator,all of whom had been at Rideford for some time, and they assured me that John Barta, who had been on the land in June 1914,had not been in that vicinity since that date. It is reported that he has gone to the States. In view of this information I trust you will be able to issue a patent in favour of the Calgary & Edmonton Railway Company for the additional land required for Station Grounds as per application in my letter of May.5th.

The Board holds no other land security.

The Board reports that the settler was making unsatisfactory progress and was reported to be a poor worker. In 1925 he abandoned the farm, deserting his wife and family and later was arrested in Coronation as a vagrant. His wife has expressed no desire of returning to him.

In November, 1926, the settler advised the Board that he had decided to give up farming and that they might sell his horses, the machinery, harness and collars. He stated, however, that he would like to keep the land and rent it out. As he was seriously in default his agreement was rescinded pursuant to a Thirty Day

Notice served on the 28rd December, 1926, to which no defence was filed.

The Board states that in August, 1927, the S.E.¼ 24-34-2-W. 4th Mer. was valued at $1420.00, and the N.W.¼ 14-34-2-W. 4th Mer. at $755.00. The district office reports that it is in receipt of an offer of $2250.00 for the half-section. When the land is patented to the Board it will be posted for sale by public tender.

The land in question being "charged land" within the meaning of section 27 of the Soldier Settlement Act, and the settler being in default with respect to the agreement made with the Board, it is requested that the right, title and interest of the settler in the above land be forfeited and that same be vested in the Board. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

Sir:

I am in receipt of your letter of the 4th instant, referring to your application, dated 17, July 19, 1921, for the re-instatement of your Soldier's Homestead Entry, No. 179064, for the South-east quarter of Section 18, Township 67, Range 19, West of the 4th Meridian, and in reply to say that according to the records of this Department, William Darlis Bridgeman made entry for the said quarter-section on the 18th day of July, 1914. Re-entry was granted to Mr. Michael Cahin on the 22nd December, 1914, which entry was since cancelled at the request of Mr. [illegible].

It appears that Mr. [illegible] Darlis Bridgeman has since obtained a homestead entry for the South-east quarter of Section 18, Township [illegible], Range [illegible], West of the 4th Meridian, which quarter-section is the same quarter-section referred to in your letter of the 4th instant as the property of Mr. Cahin.

Your application for re-instatement should be addressed to Mr. Cahin's agent, and no claim to this quarter-section can be entertained by this Department.

I am, Sir,
Your obedient servant,

Sir:

N.W. ¼ of 18-87-18- W 4th M.

In reply to your letter of [illegible] 3rd inst., stating that Mr. Robin has made entry for the above mentioned land in August 1919, I wish to state that my late husband built a house on said land in September 1917, lived in it up to the time of his death. He entered the N.W. ¼ of 18-87-18- W 4th but never or at no time intended to prove up on it, but never lived or did any work on said quarter.

He lived on the N.W. ¼ of 18-87-18- W 4th M., the people he bought same and removed to the land under which there is no dispute yet, Mr. Robin never lived on said land up to the present time. I will also state that I have lived on the N.W. ¼ of 35, in the said township and run about five tons of hay on said land this summer, and I was ordered not to touch these hay, and my horses running out in the deep snow found it on the hay, they are running there yet. I shall be pleased to furnish further information with reference to this effect. All of neighbours and [illegible] know that my late husband was living there. I will also state that Mr. Robin never built the granary, nor the furniture I moved away last summer 1921.

Sir:

I b[illegible] to acknowl[illegible]dge receipt of your affidavit of the 20th ultimo, with reference to the occupation by Jimmy John on [illegible] his wife and family, of the S. W. ¼ of 35-67-13 W. 4th Meridian, while at that time he had made homestead entry for the N. W. ¼ of 2-68-13 W. 4th Meridian.

It seems very improbable that a man obtaining entry for a piece of land so near to the one upon which he commenced to live would have made such a mistake in the description. If the two quarters were adjoining instead of one mile apart, there might be some excuse and reason for the mistake, but as the matter stands I do not think it reasonable to deprive the present entrant of his entry for the S. W. ¼ of 35, in order to give the party who has been squatting on this land without authority the right to acquire it as a homestead.

I am, by a copy of this letter, forwarding a copy of your communication to the Department at Ottawa, and also a report from [illegible] Inspector in this connection.

Soldier Grant - Hugh J. Tobin.
Entry granted - 29th August, 1919.

I beg to acknowledge the receipt of your letter dated the 20th ultimo, to the effect that although the late Mr. Johnson made entry for the North West Quarter of Section 2, Township 68, Range 13, West of the 4th Meridian, he went into residence upon the South West Quarter of Section 35, Township 67, Range 13, West of the 4th Meridian, and resided there until the time of his death, and further that his widow has remained in residence until the present time, and in this connection to say that from the 23rd December, 1914, until the 3rd July, 1919, the latter parcel of land stood as a homestead in the name of Michael Tobin, therefore, this quarter-section was not available for entry when the late Mr. Johnson applied for entry for the North West Quarter of Section 2 on the 10th April, 1914, consequently there was evidently no mistake on the part of the Sub-agent who granted the entry.

Therefore, if Mr. Johnson went into residence upon this land while the same stood as an entry in the name of Mr. Michael Tobin, he (Johnson) had no claim to be regarded as a bona fide squatter.

Again, on the 15th March, 1922, Homestead Inspector Griffin furnished a report in connection with the South West Quarter of Section 35, Township 67, Range 13, West of the 4th Meridian, which was to the effect that the only improvement of any value upon this quarter-section consisted of a shack, worth $20.00, which was apparently erected by the late Mr. Johnson.

As there is a statement on file here that Mr. Hugh J. Tobin has obtained a loan under the Soldier Settlement Act, which has been made a charge against the South West Quarter of Section 35, Township 67, Range 13, West of the 4th Meridian, it is unlikely that any steps will

A. Hammerstein, Esq.,
[illegible]

will be taken to disturb this entry, or if the entry is cancelled it is probable that the land would not again be made available for homestead entry. Under the circumstances, it would appear to be to Mrs. Johnson's interest to move to the quarter-section for which her late husband obtained entry.

I may add, however, that any further representations you may make in this regard will be given careful consideration.

Your obedient servant,

Assistant Secretary.

Sale.

On the 17th May, 1919, advice was received from your Board on Form No. 27, S.S.B. file No. 7882, that Mr. Tobin was an applicant for a loan of $2080.00, to be charged against his homestead and sale above described.

On the 16th ultimo one of our Homestead Inspector's furnished a report that up to date Mr. Tobin had not performed any settlement duties or made improvements upon the above described land.

Under the circumstances, I would like you to be good enough to advise me whether the loan above referred to still stands as a charge against the land in question, and if so, whether any disbursements have been made.

It has been ascertained that there was a squatter on this land when Mr. Tobin was granted entry and the Department might later on wish to make this land available for disposal, if possible to do so.
